Young Man Is Seriously Hurt In Auto Crash

W. E. Mickell of Earlimart, received cuts on his right hand and leg last Friday night when his car collided with a truck belonging to Joe Randazzo which had been parked on Hawthorne boulevard near this city. According to the police report the truck had run out of gas and was left standing beside the road. Both cars were considerably damaged.

Police officers summoned to investigate this accident were called from the scene to go to a location on 190th street near the P. E. tracks west of Hawthorne boulevard where a car belonging to George M. Green, 390 Fourteenth street, Hermosa Beach, driven by Green's stepson, Paul Deauville, had crashed. A blowout is said to have been the cause of the wreck in which the car sideswiped a pole at the side of the road and crashed into another pole from which it was thrown 25 feet into a field.

Young Deauville was seriously injured and was taken at once to the Redondo-Hermosa hospital, where at last accounts on Tuesday he was still unconscious. His passenger, Miss Mary Axenty, received slight cuts and bruises.

Practice for the Marine League track season will begin at an early date, and it is expected that young Zamperini will hang up some more records this year.

Mobilization of Scouts Will Be Held Next Month

Local committees from the various organizations which are sponsoring Boy Scout troops in Torrance met at the Scout hall Tuesday night with District Commissioner Carroll in a conference to develop new rules for handling the Scout work in the district. Organizations are expected to give the troops their moral support principally in an effort to back them up in their projects.

Monthly meetings of committees will be held to promote Scout work and interest among the members of organizations which are backing the troops.

Pair of Bandits Hold Up Manager of Liquor Store

Shortly before 8:20 o'clock Saturday evening, January 20, two men entered the Carson Street Liquor Store, located at the corner of Carson street and Western avenue, and robbed the cash drawer of its contents, about \$20.

While one of the pair covered Paul Smith, one of the proprietors who was alone in the place, with a revolver, the other snatched the till and the pair then backed out of the store and drove away, going west on Carson street.

The pair are described as Americans, about 24 or 25 years of age.

The man with the gun was about 5 feet 8 inches tall, weighing about 160 pounds and wore a dark suit, dark blue overcoat, no hat, dark complexion and dark hair.

His companion was about 5 feet 9 inches, weight 170, medium complexion, hook nose across which a fresh scar plainly showed, and wore a dark suit and light overcoat.

The men asked for a bottle of liquor on entering and when Smith turned to hand it over he found himself facing a gun and the command to hand over the cash.

The matter was reported to the police who are investigating the case.

Torrance Under Observance of Eastern Magnates

Joe Light, industrial commissioner for the Southern Pacific Company, spoke Monday night before the Kiwanis Club on the subject of "Industrial Locations." In the course of his speech Mr. Light commented very favorably on Torrance and its ideal situation as a factory community. He said that many eastern industrialists have been and are looking over this community as a possible location for branches of their plants, and in a few years this city may see a considerable increase in the number of industries located here.

Kiwanis Club members drove to Santa Monica Tuesday noon where they turned over the Friendship Book to the club in that city at a meeting held at the Miramar hotel.

Merchants Trim Cardinals Here In Nifty Game

Joe Storti Holds Wilmington Outfit to 4 to 1 Score

The U. S. S. Lexington ball team apparently had other fish to fry Sunday afternoon, as they did not fill their advertised engagement to play at the Torrance municipal ball park. However, the Wilmington Cardinals filled in for the navy outfit and put on a good pastime for the fans, although they lost 4 to 1 at the hands of the Torrance Merchants.

Joe Storti was on the mound for Torrance and allowed only seven hits out of which the Cardinals garnered their lonely run. Olsen, Torrance second sacker, headed off a rally after one run was over the plate, with a sensational stop that turned into a double play.

The Merchants got eight hits off Madrid, with John Storti and Vegher getting triples, and Crook and Richards two singles each.

The Merchants will play their first game in the Inter-city League next Sunday.
